

## FREQUENTLY ASK QUESTIONS

### **1. What is NOGOF all about?**

Nigerian Oil & Gas Opportunity Fair (NOGOF) is an event that brings together major players across the upstream, midstream, and downstream sectors of the Nigerian Oil and Gas industry including Government Agencies and Industry regulators to showcase Opportunities in the Nigerian Oil and Gas industry and present available in-country capacity.

### **2. Who is the host of NOGOF?**

The event is being organized by the Nigerian Content Development & Monitoring Board (NCDMB) in partnership with Jake Riley Limited, an international consulting firm focused on transforming and supporting growth in the Nigerian public sector.

### **3. What date is the conference and venue?**

NOGOF 2025 is scheduled to hold at the world-class Multipurpose Conference Hall of the NCDMB Headquarters Building, Oxbow Lake, Yenagoa Bayelsa State from the 22<sup>nd</sup> - 23<sup>rd</sup> May 2025

### **4. Who is the target audience for this conference?**

All stakeholders across the upstream, midstream and downstream sectors of the Nigerian Oil & Gas and linkage industries

### **5. What should the conference delegates expect from this year's NOGOF?**

Delegates should expect value; they are going to get a lot of value for their time. NOGOF will bring together all project opportunities in the petroleum industry, providing stakeholders with information to make business decisions and a platform for investors to meet industry players. The forum provides opportunities for deal making, networking, and promoting expansion in linkage sectors. It also aims to identify high impact activities and develop a roadmap for sustainable Nigerian content development.

### **6. How many years has NCDMB held NOGOF?**

NOGOF is a biennial event which started in 2017. This year will be the 5<sup>th</sup> edition.

### **7. Advice for the average conference attendee?**

Do not be the average conference attendee, come ready to learn, to socialize, come ready because you are going to leave equipped with the necessary tools you need to challenge the status quo.

### **8. Networking tips for delegates attending the conference?**

Smile, introduce yourself; you have value to give too. Show that value and do not feel intimidated by presentations made. Be punctual, show up early; Get your business cards ready; Be open to new opportunities; Be personal when addressing yourself; Ask questions

### **9. Why the theme "Driving Investment and Production Growth: Shaping a Sustainable Future for Nigeria's Oil and Gas Industry"**

Reflects a strategic shift toward ensuring long-term industry sustainability through increased investment and enhanced production.

This theme underscores the urgent need to attract investments, optimize production, and implement sustainable practices that will secure the industry's future. It aims to bring together key stakeholders to explore innovative solutions, policy frameworks, and collaborative strategies to boost Nigeria's oil and gas sector while ensuring environmental and economic sustainability.

By emphasizing investment and production growth, the event will provide a platform to showcase emerging opportunities, highlight in-country capacity, and discuss the role of new technologies, regulatory reforms, and financing models in shaping a resilient and future-proof oil and gas industry.

#### **10. Is the Conference only for Oil & Gas professionals or can anyone Attend?**

There is no industry restriction. The conference is open to all. This year, we are taking the event to new heights by incorporating the linkage industries and reaching beyond Nigeria to the entire Africa.

#### **11. How can one register for the conference?**
